EXPERIENCE

Assistant Brand Manager

RSPL Group

04/2026 - Present Gurgaon

- Managed an ~₹80 Cr annual diaper brand, tracking MTD, YTD and MoM performance to identify growth opportunities
- Conducted monthly field visits across UP and Delhi, covering 100+ retailers to track sales, assess competition and gather on-ground market feedback
- Analysed competitor pricing, assortment and e-commerce presence to shape pricing and GTM strategy for 3 new-category SKUs
- Coordinated launch readiness for 3 NPD SKUs across packaging, artwork and product codes, collaborating with R&D, procurement, sales and agencies
- Orchestrated variant transition across ~30 SKUs, coordinating Amazon PDP, A+ content, artwork, agency execution and e-commerce listings
- Coordinated 8+ influencers across 3+ campaigns and evaluated sampling agencies for upcoming consumer activation initiatives
- Reviewed brand P&L and participated in gross-profit improvement discussions, evaluating pricing and margin opportunities

Sales and Marketing Intern

Nestlé

04/2025 - 05/2025 Chennai

- Developed GTM strategy for the pan-India launch of Maggi Korean Noodles, informed by visits to 50+ MT and GT stores across Chennai and Kerala
- Synthesized 200+ consumer and trade interviews to identify trial triggers, pricing perceptions and channel execution gaps
- Conducted retail audits across assortment, pricing, shelf visibility, POSM and promotions to identify execution gaps
- Executed SKU visibility programs across shelves, gondolas and parasite units to strengthen product visibility, on-shelf availability and offtake
- Coordinated visicooler movement and installation audits across 90+ outlets, ensuring placement accuracy and adherence to visibility and SOP guidelines
- Led 12 field interns across 6+ regions, guiding MT visibility execution, retailer negotiations and adherence to execution SOPs

Project Engineer

Synnefx Health Technologies

01/2023 - 09/2023 Thiruvananthapuram

- Prospected and onboarded 10+ healthcare clients across Kerala, driving product adoption and business growth in Tier-2 markets
- Delivered 25+ product demonstrations across 12 B2B healthcare clients, securing 3 long-term renewals through consultative selling
- Collaborated with founders to develop pricing and proposal models, improving B2B pitch conversion and sales efficiency by ~15%

Assistant System Engineer

Tata Consultancy Services

07/2021 - 12/2022 Bangalore

- Managed Azure project budgets through cost optimisation, ensuring efficient resource allocation across enterprise client portfolios
- Authored Azure technical documentation, reducing onboarding time by 25% and improving knowledge sharing across teams
